

## The Vietnam War: Map Assignments

The objective of this assignment is to help you become familiar with the locations of countries, cities and bodies of water that are sometimes mentioned in conjunction with the Vietnam War.

Complete the assignments below using the three attached maps. Be sure to use the correct map for each assignment. In cases where the nations are quite small and lettering is difficult, I encourage you to use a coloring scheme and a legend. Be accurate! Make your maps attractive!

1. Using the attached map of the world, locate:

Vietnam(North + South)	United States
France	U.S.S.R.
Japan	Indonesia
China	Philippines
